**Head of the Working Group:**

\_\_\_\_\_  
(signature)

\_\_\_\_\_  
(surname, name and patronymic)

**Note:**

1. Erased signatures in the signature sheets shall not be checked and taken into account if the relevant note is indicated on this by those collecting signatures.
2. Corrections and notes included in signature sheets in relevant manner shall not be considered as a reason for the invalidation of signatures.
3. If several signatures of the same person is found out, then only one signature shall be considered valid and the others inaccurate.
4. If the signatures have been collected by offending Article 215.1 of the Election Code, then those signatures shall not be checked and the case is regarded as less than the necessary number of voters' signatures.
