

DECISION

of the Central Election Commission of the Republic of Azerbaijan
on on re-approval of the scheme of establishing election constituencies and
its graphical description

Pursuant to Articles 29.1 and 29.5 of the Election Code of the Republic of Azerbaijan (hereafter referred to as – Election Code), CEC shall ensure the compatibility of voters' number on election constituencies with the representation norm within a manner defined by the legislation, undertake subsequent and systematic activities in this regard, regularly review the system and graphical description of election constituencies and take necessary steps upon taking the legislative requirements as a basis.

Since the average representation norm on election constituencies needs to be adjusted to Articles 29.1 and 29.3 of the Election Code, legal bases have been formed to re-approve the scheme of establishment of election constituencies and its graphical description according to the analyses of increase dynamics of voter' number.

In this regard, to ensure the requirements of Articles 29.3, 29.4, 29.7 and 46 of the Election Code, the commission for the delimitation of constituencies, established by CEC which is comprised of specialists also submitted the suggestions regarding the re-approval of the compiled scheme of election constituencies and its graphical description to CEC upon basing on the average representation norm of registered voters and other requirements as defined in the legislation.

Pursuant to Articles 19.4, 28.4, 29 and 30 of the Election Code of the Republic of Azerbaijan, the Central Election Commission of the Republic of Azerbaijan decides:

1. The scheme of election constituencies and its graphical description shall be re-approved and list of constituencies shall be published.
2. The Decision shall be enforced upon its publication.
