The appeal was adopted for the implementation in comply with Articles 112 and 112- 1 of the Election Code of the Republic of Azerbaijan and “Instruction on the rules for submission and investigation of the appeals and complaints filed to the Central Election Commission of the Republic of Azerbaijan and Constituency Election Commissions”, relevant opinion was provided on this issue considered at the Commission session upon the investigation of the appeal.

In the appeal nominee E.Jamal informed that his candidacy had been nominated on own initiative on Sabail Con.EC # 29 in the Elections to the MilliMajlis of the Republic of Azerbaijan on February 9, 2020, signature sheets and other necessary documents attached to them were submitted to the Con.EC upon collecting voters’ signatures within that constituency, but the Con.EC refused from registering his candidacy because he had not submitted correct information on the land belonging to him based on the right to property.

The applicant was contacted in connection with the investigation, was told to participate in the investigation and the session, and was told that he had other rights, and that his participation in the session was ensured.

The Con.EC substantiated its argued decision on the refusal from registering the candidacy of G.E.Jamal on the grounds that he had not submitted correct information on the real estate belonging to him based on the right to property.

The relevant documents for the registration of G.E.Jamal’s registration related to the inquiry were requested by the Con.EC and submitted to the CEC Working Group. It was determined from the opinion of the Working Group under the Central Election Commission dated January 20, 2020 that land belonging to the candidate G.E.Jamal had been registered, which he had not indicated in the information on property.

Not providing correct information on real estate belonging to him by G.E.Jamal to the Con.EC is the legal ground for refusal of registering the candidacy as in compliance with 60.2.3 of the Election Code.
